OUTDOOR POOL SPRING WEATHER POLICY

As we enjoy the outdoor pool this spring, the safety of our members and staff is always our top priority. Weather conditions may occasionally require temporary pool closures. Please see the guidelines below:

Lightning
If lightning is detected within 10 miles, the pool will close and will remain closed for 30 minutes after the last detected strike.

Rain & Visibility
For safety, the pool will close if heavy rain limits visibility to the bottom of the pool. The pool will reopen once visibility is restored.

Severe Weather
The pool will close during any hail storm, tornado watch or warning.

We appreciate your understanding and flexibility as we work to keep everyone safe while enjoying the outdoor pool this season!
